School Uniforms:

There are a huge number of jumpers lost and left in the school every year. It is **most important that your child's name and school number is clearly marked on the school tracksuits and checked regularly.**

Important Note

The children will be given their rental books on the first day back at school in September. **Rented books have to be returned at the end of the school year and it is most important that they are kept in good condition. When rented books are lost this will entail having to replace the books at their full purchase prices.**
