School Uniforms:

The school uniform is available from Dermot Halls and Mary and Marie's. There are a huge number of jumpers lost and left in the school every year therefore it is **most important that your child's name is clearly marked on the school jumper and checked regularly.**

The wearing of the school uniform is treated with the utmost importance and it is essential that all children wear their uniform everyday where possible and if the uniform is not worn a note must be supplied outlining its absence.

Important Note

The children will be given their rental books on the first day back at school in September. Rented books have to be returned at the end of the school year and it is most important that they are kept in good condition. **When rented books are lost the book will have to be replaced at their full purchase prices.**
