#### Important Notice:

Due to the high costs involved in equipping your child for the new school year, we have tried to minimise the prices involved. Rented books have to be returned to the school at the end of the school year and it is most important that they are kept in good condition and that these books are **not written on**. When rented books are lost, this will entail having to replace the books at their full purchase prices. All books and copies should be neatly **covered** and **labelled** appropriately.

***Please note that the following payments are to be made in September (if not already paid):***

Art and Photocopying – €25.00

Tests - € 5.00

**Total: €30.00**
