

Mrs Martin's Booklist 3rd Class 2019 – 2020

Childs Name: _____

Due to the large cost involved in equipping your child for the new school year, the school has tried to cut these costs by providing many of the school books for rental. The children will be given their rental books on the first day back in school in September. Rented books have to be returned at the end of the school year and it is important that they are returned in good condition. **Please note that rental books will not be provided until full payment is received.** Lost rental books will have to be replaced at their full purchase prices. There will be spot checks on rental books throughout the year to ensure that they are being properly maintained.
