Book Rental

Due to the large cost involved in equipping you child for the new school year, the school has tried to cut these costs by providing many of the school books for rental. The children will be given their rental books on the first day back at school in September. Rented books have to be returned at the end of the school year and it is most important that they are kept in good condition. **Please note rental books will not be provided until full payment is received.** Lost rental books will have to be replaced at their full purchase prices. There will be spot checks on rental books throughout the year to ensure that they are being properly maintained.
