

Work for Monday March 23rd to Friday March 27th Mr Ryan's 4th and 5th Class

Dear Parents, Please note this is a suggested scheme of work for you to follow. It is a guideline and is designed to assist you in home-schooling your child during this very difficult period in our lives. Parents are encouraged to assist their children where and when they can, but please don't feel under pressure to complete items if they are causing difficulty. We would encourage parents to focus on the core subjects of English and Maths – the main thing is that children stay in touch with their learning and have a positive structure to their day over the course of the disrupted school term. Stay safe kids and remember to wash those hands!

Please use a separate / new copy for work where necessary below which will be collected on return to school. Please label Home School 2020.

English

English Reading

- Complete current PM reading book and write 3 facts and 1 fib from the story.
