

Mrs Martin - 3rd and 4th Class

Work for Monday 23rd to Friday 27th March

Please note this is a suggested scheme of work for you to follow. It is a guideline and is designed to assist you in home-schooling your child during this very difficult period in our lives. Parents are encouraged to assist their children where and when they can but please do not feel under pressure to complete items if they are causing difficulty. We would encourage parents to focus on the core subjects of English and Maths - The main thing is that children stay in touch with their learning and have a positive structure to their day over the course of the disrupted school term. Stay safe and remember kids - wash your hands.

Please use a new regular 88/ 120 page copy book for work. This copy can be labelled 'Home School 2020'. Your child's copy will be collected on return to school.
